CHARACTER AND CHARM BY THE BAY

Have you been dreaming of a beach side getaway just a short stroll from the beach? Then an inspection here is a must.

Situated less than 350 metres from the beach, this fabulous cottage has a great holiday feel but would also make a great retreat for a permanent sea change.

The home has been lovingly maintained and is just awaiting a new family to move straight in. Polished timber flooring and raked ceilings combine to give an ambiance of space and charm.

Alfresco dining and outdoor living will be yours to enjoy with a huge covered veranda.

The house features an open plan living area with cosy combustion fire place. The kitchen is fully appointed and overlooks the fabulous outdoor living area. There are three generous bedrooms.

At the rear of the property is a detached single garage ideal for storing the cars and all the extra beach toys.

The home is set amongst private gardens on a lovely block of land.

This is the perfect opportunity to own your own piece of paradise, in the coastal village of Callala Bay, on the Northern shores of Jervis Bay.
