Maryboroughs' truly unique executive residence right in the deluxe and prestigious suburb of Doon Villa. Come and discover the lifestyle benefits this home has to offer. The opulent living areas, gourmet kitchen & master suite all overlook the impressive Mary River and with farmland on the opposite side of the river, what a panoramic backdrop.

You know that you are in for something special as you come up the drive, no expense has been spared from design to completion. The home has everything you come to expect from an executive residence- exquisite fixtures and fittings, superior appliances, 5 bedrooms, 3 bathrooms, butler's pantry, large open plan living areas, large deck over looking the river, inground pool, separate lounge or rumpus, courtyard... and the list goes on. After spending a short amount of time here, you will realise you really can't put a price on the lifestyle this property has to offer and it just may make your life richer than ever before. Viewing by private inspection only, contact Ash or Karen at First National Maryborough for appointment times. Visit our website realestatemaryborough.com to view many more photos
