*The Minister's Office has re-confirmed that no movement is permitted from Melbourne to Regional Victoria for the purpose of inspecting a property.

With a commanding view over the landscaped village green we are excited to offer this brand spanking new home on 491 square metres complete with the quality fittings and fixtures you deserve. This is another of JUSSICQ HOMES quality masterpieces. It doesn't get any better than buying your new home from a low volume quality local builder. Offering four fully robed and carpeted bedrooms, two stylish bathrooms, floorboards throughout the living areas, carpeted comfortable theatre room with elegant french doors and open plan living area that provides plenty of space. Sliding glass doors will take you out to the alfresco and transforms the living area and alfresco into one enormous indoor/outdoor entertainment area with loads of style. This home offers advantages that you just don't get with a large volume builder. The quality of build here is exceptional as is to be expected from a low volume quality builder. In the kitchen you will love the stone benchtops and the stainless steel appliances as well as the ENORMOUS butler's pantry offering more room than you could have imagined. Enjoy the evaporative cooling in summer and the gas ducted heating in winter and the low maintenance landscaped surrounds. There is nothing about this house that will disappoint you! Nothing needs to be done to improve this superb home, just walk in and make it your home.
