

31 Dryandra Drive, Margaret River

Lock-up & leave no fuss home

This delightfully decorated home offers shades of purple, mauve, lavender and violet in a practical and functional floorplan. A modern, immaculate home, it boasts 3 super size bedrooms, a fabulous large TV room that can be closed off from the main living area, and an open plan kitchen / dining / living area that flows through to the outdoors. The northern aspect of the home creates a light and bright atmosphere throughout, while the fabulous outdoor entertaining area offers a blank canvas to make your own, with a sheltered patio pergola as well as drive thru access.

This is the perfect no maintenance home offering clean and simple lines and generous living spaces. With a spacious 3 car garage PLUS extra space for the boat and caravan at the rear of the property, this could be the ultimate lock and leave property.
