

4 Lowe Street, Ararat

4 1 1

Vendor says sell - make us an offer

This amazing transformation is straight out of a designer magazine! The renovation has been completed with family functionality in mind starting with the designer kitchen offering loads of storage / bench space & quality appliances, sleek modern bathroom design features twin basins on the stone bench top, contemporary tap ware, relaxing, free standing bath and separate shower. The sun filled living is spacious & is open plan to the kitchen. Additional updates of the 4 bedroom home include carpet & vinyl plank flooring, new paint, LED down lights, 2 toilets, laundry, quality window furnishings, R/C split-system & electric log fire, roof restoration, new plumbing & down pipes, new light fittings through-out and upgraded wiring. Set on a 1000 sq.m corner block with 2 street access, single remote garage, large entertaining area, garden shed, storage room, outside toilet & plenty of room for the kids to enjoy in the established yard.
