THE QUIET LIFE! - JUST OUT OF ATHERTON

This home is nestled in the forest lands at Sharples Road in Carrington. The lot has an area of 2 Hectares, half of which is natural forest lands and the cleared area has been converted to refreshing lawns, gardens and orchard with numerous flowering trees and shrubs.

The home is constructed of clay brick and is in excellent repair. There are three roomy bedrooms with the master being serviced by a two-way bathroom. The brick fire recess enhances the lounge and formal dining area which open onto the back and side patios. Both patios have impressive floral surrounds and views down to the BBQ area on the banks of Scrubby Creek.

The kitchen adjoins the family room giving extra space for living and there is a laundry and single lock up garage. Separate to the home is a two bay colour bond work shed.

This property is a rare find. To book an inspection, contact Exclusive Marketing Agent Richie Cahill on 0408 772 941 or email richie@athertonfn.com.au.
