

98 Willis Street, **Portarlington**

5 3 2

PREPARE TO BE SURPRISED!

Much thought has gone into the design of this home & adjoining one bedroom unit set amidst a native garden on 1011sqm. The intriguing layout gives everyone a feeling of bringing the outdoors in, with carefully placed doors opening to private courtyards. Polished concrete floors and neutral tones throughout continue the almost rustic feel of the home, with energy efficient measures in place to maintain a perfect balance through all seasons.

Combining 4 generous bedrooms in the main home, 2 bathrooms, separate lounge & reception room and a perfectly placed kitchen, dining & family room overlooking the rear garden. The purpose built music room adds another intriguing dimension. The unit has access to the home, so ideal for family or guests (b & b) and allows for 1 bedroom, bathroom, kitchen and lounge and again courtyard access and private parking.

Hydrionic Heating, Steel Frame, Water Tanks, Double glazing and quality craftsmanship all combine to make this single level home a space you will enjoy for many years.
