

90 Contour Road, Tamborine Mountain

IEWS, LOCATION AND BIG ON SIZE

This quite rare find consisting of 2360m² (over half acre) is now available for the astute investor to capitalize on, set amongst quality large homes and offering open views with a coastal backdrop giving opportunity to create a new build, to take advantage of what is on offer here with its surround's and outlook.

Property rises from the road with an 88 metre right side boundary to the rear and consists of rich red alluvial soil, so makes for a gardeners delight, no green thumb required.

Location provides convenience with easy access to and off the mountain if daily commute is required. A nice flat road to walk the pets or just enjoy the stroll along this leafy green corridor to take the worries of the world away.

Presently the mountain offers little' with vacant land availability and is becoming a tight market to capture that dream block, so make your move, don't let this one get away.
