

34 Java Court, Tamborine Mountain

Outstanding Land Package Present All Offers

A property that has so much to offer with a quiet friendly neighbourhood, no passing traffic, a cost effective building site with the most spectacular Panoramic vista that provides drop dead gorgeous views panning over Guanaba Gorge beyond to the south eastern seaboard.

The land size is just less than half an acre (approx 1848m²) and the presentation delivers a manicured area which is cleared and ready to build allowing opportunity for optional sites to utilize.

All the hard work is done here and is only awaiting a buyer requiring WOW factor to place their new dream home on and please take note, land of this calibre is rarely offered.

Inclusive benefits with this block
