SKELLATAR HOUSE A LANDMARK VICTORIAN 1880's HOMESTEAD WITH DECORATIVE WROUGHT IRON LACE VERANDAHS

Built to architect's specifications around 1883 this renowned Landmark home in the Upper Hunter, Skellatar House, has some breathtaking features that have defied the passage of time! There's rich cedar work throughout with ornate cornices and 14 ft ceilings. The grand entry has an authentic mosaic tiled floor that leads to a grand cedar stairway. The entire home brims with absolute splendour and captures a past era filled with refinement and grandeur. The home has the air of an "English Estate Manor" with no fewer than 10 grand open fireplaces. Most are finished in polished marble and granite. A treasure is the ballroom which is the ultimate entertainment room with its full length colonial glass doors opening into the garden. The house commands 8500sqm of land and on this small acreage you'll find some wide open lawn areas, clever shade and even an olive grove. Garage and workshop space is unfillable. Every square inch leads to a new discovery and a home like this will add dimension to your life in every way. Inspections by appointment with the selling Agents Ph 65432788 or mobile 0409 680539.
