Prepare To Be Dazzled

Every now and then a stunning home comes onto the market for sale. Be prepared to be dazzled. No 25 Oakover Place ticks all the boxes and will blow you away.

Built in 2009 with a country family in mind, the owners did an amazing job on design and neutral, tasteful finishings without being boring.

This home showcases style, quality, generous space and attention to detail.

There are 4 large bedrooms and 2 bathrooms. Space has not been compromised; there's room to accommodate the largest of families. The master suite is spacious and the ensuite bathroom is open with a private WC. Fabulous WIR - its impressive! The minor 3 bedrooms all include BIR's and they are all double sized rooms.

The open family space is just wonderful. Its light and bright and the layout just makes perfect sense. The storage space in the kitchen will blow your mind. Stone bench tops and large central breakfast bar. Quality appliances, fixtures and fittings. Flowing naturally through French doors to outstanding alfresco, you'll love the feature wooden lined ceiling out here. Also adjoining the open family friendly living is a separate formal lounge, large study of kids activity that can be closed off for privacy or to hide the toys! Alternately, it might be Mum and Dad's private theatre space.

This is a 'turn-key' property. Nothing needs to be done to finish it off. It's ready for you to back up the removal truck, unload and unpack your shifting boxes, then relax and enjoy everything the home has to offer like ducted, reverse cycle heating and cooling, double remote control garage, easy to maintain 654m2 lot and quiet family friendly cul-de-sac location.
