Need Some Room To Move?

How'd you like to live on a lifestyle block with only a handful of neighbours who have similar rural pursuits yet be less than 3km from Northam town centre with all its services?

Consider 1 Dring Street, Northam.

It has a farm on one boundary, another farm on another boundary and only four neighbours along its remaining boundary but those neighbours are on blocks of about 5 000sqm so they hardly look-over-the-fence into your yard.

This property has an area of 1.58ha, that's just under 4ac, is secluded, undulating and has a creek that occasionally flows in winter.
