FOR THOSE WHO WANT IT ALL

Sometimes a house just surprises you. There is a common theme in new housing estates and a mindset that goes with it, well this property shatters any opinion you may have as this home is elite in both its finishings and presentation. Just parking in the driveway you can sense that your about to enter something special. Double door entry with a porcelain tiled floor creates the flow through the home. From there you start to notice the quality, whether it be the light fittings, the stone tops in the kitchen, the ducted air, even the fire place! Just when you think you have seen it all, step outside to the great entertainer. The alfresco area has been extended with a pitched patio and well accompanied with cafe blinds all overlooking a sparkling below ground pool. Finally, just to really complete the package, how about a 6.25 x 4m powered shed! It's all here, it's all finished, so the biggest decision you have is how soon can you move in!
