Sooooo Affordable

This appealing character home is deceptively larger than it appears from the front view - there are quaint fire places, lovely mantelpieces, wooden joinery and floors, french doors, a wide hallway and three large bedrooms, so typical of the era. The kitchen is well-equipped and sun drenched with a step-down dining/family area, the more formal lounge is conveniently separate. The large deck with built-in seating is perfect for entertaining and flows to the fully fenced private back yard of fruit trees and raised gardens. The family bathroom is spacious with shower over bath and laundry space within. There are many appealing features including insulation top and bottom, a heat pump, log fire, new roof, off-street parking and a little studio out the back.

If you would love to be in walking distance of the town, movies, supermarket or your favorite cafes and even Marlborough Boys College then you can't get much better than this. ebook available on request. INTERNET ID: MSR13355
