Family Living Close In

This warm and inviting classic brick home sits nestled on a genuine kiwi 1/4 acre (1012sqm), providing peace, as well as the security of your investment (land is getting scarce). As expected with homes of this era, bedrooms are large - the living and kitchen areas are also very roomy. The bathroom has been updated and the fabulous farmhouse kitchen has enough space for a breakfast table and boasts a plumbed in ice maker fridge/freezer as a chattel. There is plenty of storage, fitted wardrobes, a wee laundry nook and a snug studio hobbies room to the left of the double garage. Properties like this are increasingly hard to find close to town and will suit families who enjoy the scope of a large section with a warm comfortable house and great garaging.
