### Fresh, Funky and Private

This stand-alone two bedroom house is a very rare find and has so much to offer! A sensationally well-laid out home with good section size so you have space for gardening (rainwater tank, greenhouse, raised vege beds and irrigation already in place) and outside living plus a double garage for that precious storage space. Our motivated owner has such an eye for style and has completely redecorated the home with new flooring, drapes and revamped kitchen including new dishwasher, wall oven and cooktop to make this house a fresh, funky pad so close to town. Couples, singles and young families – make sure you see this place! For further information, make contact with Bridget today.
