Such Space

This is a deceptively spacious property, so be prepared to be surprised! Living so central certainly doesn't mean compromising on space and comfort with this open plan design – it's light and modern with vaulted ceilings, you will love the recent refurbishment with luxurious new carpet, paint and drapes. An enclosed north facing courtyard flows from the living area and is accessed from the very spacious master bedroom also. The remaining bedrooms and bonus rumpus room are generous, the bathroom is modern with separate toilet – plenty of storage and a large laundry facility. The lawn area is fenced, there is auto/internal garaging and good off street parking. Just a short walk to the hub of Blenheim with its shopping and entertainment options. Ebook available on request.
