### A Special Property

Where do we start?

A neat and tidy two bedroom cottage right on the water, handy to town and in the municipal area. This in itself is a unique proposition.

PLUS!

A 105m2 solidly built garage with high stud and plenty of storage – with doors front and back – opening out onto your own concrete boat ramp – where you can simply back into the canal and be away on the water.....

PLUS.

A one bedroom self-contained apartment attached to the garage

The land is fully fenced and well -kept and provides a great base for recreation, investment or business.
