

Platinum Crt 23 Railway Parade, Glass House Mountains

Ready to build on Now!!! Courtyard lots from 376 - 590m2 , Gated - Platinum Court

- Courtyard lots, lifestyle living
- Gated community, freehold land
- Unbeatable position right in town
- Fully serviced with town water, underground power & sewer

Silk Properties the Developers of Platinum Court are delighted to announce the release of this exciting new concept for Glass House.

"Until now Glass House residents have had no options for downsizing; living closer to shops and rail or living in a secure gated community and Platinum Court is designed to deliver all these options".

Modelled on the extremely successful and sought after "Stirling Court" gated community in Beerwah, Platinum Court offers a choice "10 court yard" free hold lots ranging from 376m2 to 594m2 most with warm and sunny northerly aspects to the rear and all town services, town water, underground power and sewer.

In a nicely elevated position on Railway Parade, just before Sahara Road, convenience is a major plus - ideally suited to not having a car or to those enjoying the freedom of a mobility scooter.

While there is a simple build covenant to maintain the quality and nature of the development, build options are very flexible, allowing buyers plenty of choice.

There is no time line for commencing your home build-you could buy now and not build for a year or 2.

All information is available from John King at First National Beerwah.
