1 **First National Real**

# Estate Glenmore, NSW

We're not just selling and managing property, we're helping you achieve your dreams. While this may sound a little over the top, a property transaction can be one of the biggest and most stressful decisions you will ever make - we don't take it lightly. We're proud that over 70% of our business relies on returning clients. Here's what some of our customers say ...

"Your marketing advice was fantastic as was your communication to us throughout the entire process. We were very, very happy with the ultimate selling price of our place. Thank you."  
Mr & Mrs Crowe, Glenmore Park

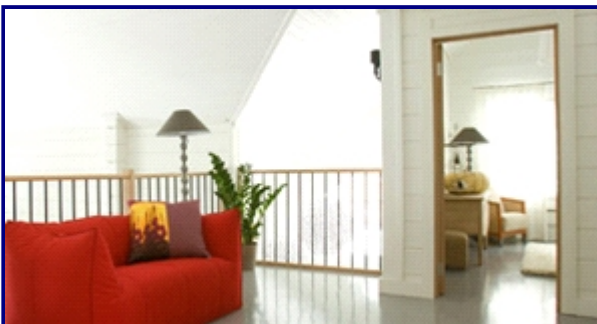

"Selling a house is a very stressful experience, especially when the market is so unpredictable...thank you for making it a less stressful experience for us. You showed us commitment and ongoing confidence that the house would sell." Mr Van As, Glenmore Park
