Character Cottage on a Beautiful Block

"Such a quiet well-manicured street with the best neighbours!", your friends listen with envy as you describe your new property! "Such a beautiful flat block with some awesome established trees and a little fruit orchard."

"at first we thought about demolishing and building, but the cute little 1960's cottage is actually in pretty good condition with pristine jarrah floor boards under the carpets, so I think we will just renovate a little and live there for a few years."
