### Classic Californian

This Californian bungalow has been refurbished throughout, yet it still oozes with character.

Featuring three large bedrooms, a good sized lounge with a compliant woodburner, a modern kitchen with breakfast bar, tasteful décor throughout and both front and rear verandas – it is classic kiwi living at its best.

The double garage with two outside rooms is an absolute bonus as is the rear fenced courtyard which will be well used over the festive season. Ho-Ho-Ho!

Deadline sale closes 4pm Tuesday 12 December 2017, unless sold prior.
