Opportunity to Purchase a Large Holding on 2 titles has come onto the Market.

Located next to National Park at Couchy Creek Chillingham and travels high onto the ridge top and down into the separate valley at Upper Crystal Creek.

One of Nature's Raw Beauties are the waters and landscape at Couchy Creek .

The waters run along the base of this property.

This large Holding has the beauty of the water and the Mountain ridgetop views and a good mix of hardwood ridgelines and rainforest gullies blend over the property. The land travels down to Couchy Creek itself, and run along the base of the property.

The Property is made up of rural 1(a) in 2 sections and and Environmentally protected 7(d) and Scenic Escarpment 7(l) sections as well.

There is a road and a getaway cottage on the block and remains of older dwellings to discover.

Owning this majestic large holding with its own "Nature's Environment" is unsurpassed by far.
