### ECO FRIENDLY RETREAT

104.5 Ha of mainly native forest which provides the ultimate in privacy and peacefulness - eco friendly retreat. Elevated with stunning mountain and valley views the 100+ year old original farmhouse, always sited in the best position, has been extensively renovated. 2 substantial sheds each with a bathroom, provide ideal guest accommodation, whilst the original dairy building provides generous storage and additional outdoor living including a slow combustion stove. 10 X 5m galvanised pipe shade house with concrete floor.. The present owners will be leaving the legacy of their labour of love in planting numerous fruit trees, rainforest species and grevilleas (lists are available)- the perfect habitat - to attract numerous birds, butterflies and native fauna. Whilst located off grid the property has 2 x 5 kw solar electricity, 3 generous water tanks and internet service. Approx 1 hours drive from Gold Coast International Airport this beautiful property offers a unique style of rural living.
