

6 Aileen Place, Whangamata

HARBOUR-FRONT - WHANGAMATA - AILEEN PLACE

Once in blue moon a waterfront property becomes available for purchase in Aileen Place.

This exclusively coveted part of Whangamata lies on the northern end of the Whangamata Harbour and is a small subdivision consisting of flat lifestyle blocks and elegant housing. Those that can afford it, gravitate to this exclusive area as it is hidden from public view and main stream visitors to the area.

Over the years as bare properties have become available they have been quickly snapped up either to landbank or to establish some of the most prestigious homes that Whangamata has to offer.

This property (number 6 Aileen Place) is in a prime position looking directly up the Whangamata harbour towards the Pacific Ocean.

This is a gorgeous 2970 square metre bare site and is already planted in mature citrus, kiwifruit and avocados, just waiting for your plans to be added incorporating your dream waterfront home.

Walking the land gives you the feeling of privacy, permanence and grass roots, with direct access to the harbour for swimming, kayaking or sailing. The citrus and avocados attract a great range of bird life adding to the serenity. It doesn't get much better than this.
