Water for the farm is supplied from the "Clarence" scheme and reticulated to the paddocks via storage tanks. Farm improvements include implement shed/workshop, haybarns x 2, 3 stand shearing shed, sheep yards, cattle yards, and other ancillary buildings.

The homestead set amongst established grounds comprises of 5 double bedrooms, office/sunroom and double living. The high ceilings and vast floor area of 290sqm (more or less) confirms this home exudes space! Heating consists of two heatpumps and a Metro logfire with wetback. The open plan kitchen, dining, and living offers plenty of room for the family to enjoy, along with the large formal lounge positioned perfectly to absorb the sea views. Take in the warmth offered on the spacious sunny veranda after a days farming. There is a separate double car shed with loft and the added bonus of a two-bedroom sleepout and an inground swimming pool. Set in a stunning valley, Valhalla is an attractive finishing property and is sure to appeal. The property is presently leased to a nearby station owner and expires on 30th April 2018.
