

5534 South Road, **Opunake**

#### DAIRY SUPPORT UNIT 12 HA

What a great opportunity to purchase a very tidy support unit on the Main Road and Tauru Road intersection.

This farm has been used to rear very good replacement heifers and weaners plus makes plenty of silage and hay supplement.

With very strong pastures and fertile soils being a feature of this very attractive unit.

Has a very tidy 3 bedroom refurbished dwelling, small hayshed, cattle yards and loading race.

Reliable water is sourced from a well. This is an excellent runoff and viewing is recommended.
