5 bedroom Farm House on over 1/4 acre block

You will find this valuable small country estate where you can still escape from the frantic pace of life in the middle of suburbia.

This 4 / 5 bedroom home with 2 bathrooms is so close to all amenities and renovations were completed approximately 2 years ago which included a new kitchen, new paint work throughout, new curtains and a good tidy up.

Surround yourself in nature and share your dream of an idyllic life with the family.

The large outdoor area will help slow you down and relax and combined with the large block of land (over 1/4 acre) and a brick BBQ, this home could even be your very own retreat from the world.

This home is walking distance to the Warner shopping centre.

Pets (including cats, dogs or chickens etc) will be considered.
