This solid, well maintained two-bedroom brick unit is ideal for someone looking for a long-term rental in a quiet part of town.

If you are looking for somewhere that you can put down roots for a while, this is the unit for you. We are looking for someone wanting a one or two-year rental with the rent being negotiable; depending on the length of lease.

Part of an eight (8) unit strata complex and within a short distance from parks, the river and central business area of town. Suitable for someone who enjoys the more relaxed side to life, just far enough from the hustle and bustle to enjoy nature but close to all the conveniences of town.

Boasting an enclosed front courtyard, secure garage, established gardens and a mowing service there is nothing to do except move in.
