Charming Mountain Cottage

An excellent example of a traditional mountain cottage. Open plan living area with combustion fire and high timber ceilings. Country kitchen with separate dining area. Master suite offers reverse cycle air conditioning, large walk through wardrobe opening on to spacious ensuite. Two more generous bedrooms with access to front porch, security screens and built in robes.

You can breakfast on the sunny front porch and BBQ on the secluded back deck or just walk around the corner to Gallery Walk's fine restaurants and cafes.
