

5 Hay Entrance, Pinjarra

Open Plan Living

It can be a delicate balance finding the happy medium between a modern home and having enough room to live life without being consumed by maintenance. How does an open plan 4x2 with tiled living areas and a great kitchen sound for starters? Add to this, walking distance to all that Pinjarra has to offer including schools, bowling club, and the shopping centre just to name a few. Finally, a 563m2 block to give you enough room for the family without requiring a green keeper! Well worth a look if your in the market for that property that just fits the modern day person.

Sorry no pets at this property.
