Bank Says Sell - Great opportunity- Room for Expansion

Located on 19 waterfront acres in beautiful Espiritu Santo Lope Lope has excellent amenities.

The options are yours to choose:

Expand, subdivide, create individual investment units - be imaginative.

A first class restaurant, reception and bar facility that has to be seen to be appreciated. The deck is beach side with the water lapping below at high tide and the views out across the beach and the Bay are simply superb.

There are four generous sized, private waterfront bungalows with ample land including untouched waterfront to add as many as you like

No expense was spared in the construction fit-out of the bungalows , main amenities block and all ancillary buildings and a little TLC will quickly bring them back to their former glory.

Even the stables of the first class horses trekking operation are a delight to behold.

Absolute beachfront - looking out to the same islands on which Michener gazed during WW2.

Someone will seize this opportunity and make the most of it.

Is that you?
